ME2 EXPANDS ON HOT SCARBOROUGH COMMUNITY

Eager buyers await the launch of ME2

In Scarborough's gorgeous master-planned ME Living community, highly regarded developer Lash Group of Companies has proven that if you build it right, they will come! Enthusiastic buyers snapped up available suites in the community's first tower, and with the same spectacular location and remarkable amenities, ME2 is destined for similar success.

This new tower will complement ME Living, with ME2 offering the same meticulous attention to detail in every suite. Granite kitchen counters, contemporary bathrooms, on-site concierge are among the touches that will remind residents each day that they've chosen to live life beautifully.

At the vanguard of Scarborough's renaissance, Lash Group had created an oasis that enjoys all the convenience of urban living within a leafy enclave right at Markham Road and Ellesmere, with the new LRT system right on the doorstep. The neighbourhood has something for everyone — surrounded by parkland and golf courses, it's also just minutes away from the more than 200 shops and services at the Scarborough Town Centre. Outdoor enthusiasts will find the most amazing natural splendour to be found anywhere in the GTA at the nearby Scarborough Bluffs, and commuters will relish the short drive downtown via the nearby DVP.

From the tree-lined courtyard with its scenic pond (which becomes a skating pad in the winter months) to the dramatic lobby, from the exquisitely appointed interior

designs to its unbeatable proximity to Hwy. 401 and the TTC, this community caters to city-lovers on the hunt for superior value.

Incredibly, ME2 is one of the best values in Toronto! One and two-bedroom suites, most with dens, starting at just \$189,990 ranging in sizes from 402 up to 907 sq. ft. A suite of lifestyle-enhancing amenities means residents can fulfill most of their daily desires right on-site. Get a great work out in a fully equipped fitness and yoga area or throw a spectacular party in the spacious event room, where a private dining room and multi-purpose chef's kitchen make entertaining easy. Relax with friends in the interactive Sports Lounge with a games area and billiards table, multiple plasma screens and a wet bar for the ultimate night in. The Hollywood-style theatre is the perfect spot for a movie marathon and when the hour grows late, just book a stunning guest suite and your friends can relax overnight. In fair weather, a rooftop lounge with barbecues, and even a sparkling swimming pool, will make ME2 a favourite destination for everyone you love. A crackling custom fireplace also makes it a wonderful cool-weather spot to sip a hot chocolate or mulled wine and enjoy the city lights.

Over more than six decades, Lash Group has been building a reputation for excellence by creating highly sought-after developments through Florida and the GTA.
